

ALERT!

Unauthorized Online Bill Payment Services

It has recently come to our attention that several websites have, without the District's knowledge or consent, set up unauthorized bill payment sites.

DO NOT USE ANY SITE OTHER THAN THE DISTRICT'S WEBSITE TO PAY YOUR DISTRICT ACCOUNT

These unauthorized sites will not transfer payments to the District and may use financial information you provide to your detriment. Some customers have been misled because these sites, without the Rowland Water District's permission, have used the District's logo on their web page.

The only authorized online payment service that may be used to pay your water bill is through this website and no other sites are authorized to accept and process payments on your account with the District. Please do not hesitate to contact us if you have any questions on this issue.
